Glossary

Payment obligations

The Total Amount Due (TAD) is the full outstanding balance on your card, including all transactions, fees, and charges.Please ensure that at least the Minimum Amount Due (MAD) is paid by the due date. Failure to do so within three days of the due date will result in reporting of default to credit bureaus. For details on how your MAD is calculated, please refer to the slice credit card MITC (Most Important Terms and Conditions) available on slice app or website (https://slice.bank.in/cc-mitc/).

Credit card security

To immediately block your card in the event of loss, theft, or any suspicious activity, contact our customer support through the slice app or call on 080 4832 9999.

Spends

All money you spent using your slice credit card or UPI during this statement's billing cycle.

Bank transfers

Money transferred from your slice credit card cash limit to your bank account, during this statement’s billing cycle.

Glossary

Refunds & repayments

All amounts credited to your credit card balance during this statement's billing cycle, including refunds, reversals, repayments, waivers, and any cashback.

Interest

If any portion from the total bill due remains unpaid after the payment due date, interest or finance charges may apply as per the average daily reducing balance method. Paying only the minimum amount each month may result in long-term debt with compounded interest and loss of interest-free credit period benefits.

Surcharge

Fee applicable on specific spend categories such as rent, education, online gaming or wallet loads. More details can be found in slice credit card MITC.

Flat fee

Fee for processing bank transfers from your slice credit card cash limit to your savings account.

Glossary

Late fee

Fee charged when the minimum due amount isn’t paid by the due date. The fee is applied as per the structured schedule based on your outstanding balance.

Foreclosure charge

Fee charged to facilitate early closure of an active sliced transaction. For details on how the foreclosure charge is calculated, refer to the slicing facility terms or the slice UPI credit card MITC.

Ongoing EMIs

Monthly installment payments due for active sliced transactions or any active EMIs on your credit card.

Carry forward

Any outstanding balance from your previous month's statement that remains unpaid is carried forward.
